

15 MONTH SAMPLE PLANNING TIMELINE

The sample planning timeline is a tool to help Adult Leaders frame their task lists and connection opportunities with the congregation and youth and adults participating in the 2022 LCMS Youth Gathering. Each congregation's planning timeline will look different.

Planning Meetings with youth, parents and adult leaders can be adjusted to your needs. Our timeline includes 5 meetings with youth and adult leaders (2 which also include parents) and 3 meetings with just adult leaders.

- This timeline uses the assumption that connections with youth participants will begin following Summer 2021. Your congregational context may allow for additional connections to happen over the summer months.
- Some congregations may need fewer standalone Gathering meetings due to other opportunities to connect with parents and youth.
- Some "Adult Leader Meeting" material and planning may be communicated or decided over email rather than a face-to-face meeting.

Communication and Updates will come regularly from LCMS Youth Ministry and your District Coordinators. To keep up to date, you can check in one (or more than one) of these places at least monthly.
